

"Weekend in Bavaria"

Mini Weekend

Sponsored by Mini-GAME and AAME

Unicoi State Park Lodge and Conference Center

Helen, GA

April 30-May 2, 2010

The "Weekend in Bavaria" committee is preparing many wonderful surprises for those attending the Mini Weekend in Helen, GA on April 30-May 2, 2010. Above is a sketch of the workshop. No photograph is provided as the laser work and art work has not been finalized for the project.

The workshop, a two shop structure separated by a tower with glockenspiel also includes a water feature (creek or river) in the back with a great open porch which would be perfect for a biergarten or restaurant. The workshop is included in the \$80 registration fee. The Registration fee for those who are not members of NAME will be \$90.00 (Note: Membership will be verified thru the NAME office.)

Accommodations at the Unicoi Lodge are \$105 per night weekdays and \$115 per night is the weekend rate single or double. There is also a \$3.00 per car parking fee as this is a Georgia State Park. The lodge restaurant serves 3 meals each day so there is no need to leave the area unless you want to come early and explore the quaint Bavarian village of Helen, Georgia. We encourage you do so as Helen offers some wonderful inspiration for your shops.

Helen is located in northeast mountains of Georgia. There is no airport transportation to Unicoi State Park and Conference Center, so participants traveling by air will need to rent a car at the airport. Helen is located approximately 2-3 hours from several air ports (Atlanta, GA, Greenville, SC or Chattanooga, TN). It is a nice scenic drive from any direction and will be well worth the trip for this great weekend. We hope you'll pass the word around and plan to join us the end of April for what we think will be a really fun filled and casual mini retreat.

Danke schoen.
