

## "Weekend in Bavaria"

Mini-Play Weekend

Sponsored by Mini-GAME and AAME

Unicoi State Park Lodge and Conference Center

Helen, GA

April 30-May 2, 2010

**Registration is Limited**

As you can see from the sketch above, Cat Wingler, Debbie Young and Jane Payne have designed a fabulous ¼" scale workshop for participants in our retreat. We hope you will come play with us.

The weekend is very informal but packed full of fun. The official opening begins on Friday evening at 6:30 PM (registration at 4:30-6:30 PM) and ends at noon on Sunday. We'll have activities galore, a very different kind of sales event we think you'll enjoy, lots of sharing, and tons of fun. Since we'll be outside of Alpine Helen, we are planning our event with a Bavarian theme. We will be making two ¼" Bavarian style structures as the main workshop with lots of things to fill it. Just think of all the possibilities: it could be a coo-coo clock shop, bier garten, a funnel cake shop, or quilt shop. Your inspiration can come from Alpine Helen itself which is full of wonderful shops.

Registration opens November 15, 2009 for NAME members and November 30, 2009 for non-NAME members. (All registrations postmarked BEFORE these dates will be considered first-day postmarks. In other words, it is OK to send it early, but there is NO advantage to doing so. If we get too many registrations the first day, we will use a lottery system.)

One person registration per form. This form may be copied. Registration is NOT transferable. We can only accept payment in the form of a check. \$30 fee for returned checks.

Please make checks payable to: **AAME** (Augusta Area Miniature Enthusiasts) and send to:
