

Wisconsin National NAME day

Oct 2, 2010

NAME is having a National NAME day. They want NAME members all over the world to work on the same project on the same day. This first NAME day we will be making a hutch designed by Debbie Young. It will be available in all scales, 1", 1/2", and 1/4".

We will be holding ours at the Hy-Vee grocery store (in the club room) in Madison. The address is 3801 E Washington Ave. They have a beautiful facility, with a very nice food buffet. The prices are very reasonable also. The event will run from 10am until 4pm. Along with the hutches, I am planning on having a few kits to go with our theme.

Along with making the hutch, swaps and roundtables will be available if you wish to participate.

Our theme for the hutches will be Seasons/Holidays. I would like to organize swaps in groups of 5 each. You can do as many as you want in which ever scale you want, as long as they are done in 5's.

Round table kits, if you would like to sell them, should not be more than \$5.00 each.

Please fill out the following form and mail it back to me, with a small deposit, by August 31, 2010. Also please indicate which scale you would like your hutch in. you can also order more than 1, and can have more than 1 scale.
