# N·A·M·E BUSINESS PARTNERS

Since 1972, the *National Association of Miniature Enthusiasts* has been the unifying force in miniature crafting and collecting. As a *NAME Business Partner*, your benefits are many, including— the opportunity to list important information in *Insider News* and your business listing in the *Miniature Gazette*, including your address and telephone number, web and email addresses in every issue. In addition, your 1/6 page, full color ad will appear, gratis, in the *Gazette* once a year—and you'll receive a 10% discount on regular *Gazette* advertising. Plus, you'll be listed on the *NAME* website, with a link back to yours.

Our wonderful world of miniatures is the common thread that connects us and brings us together. Please become a *NAME Business Partner*. You'll be very pleased you did.
