Our Charity: BAY AREA CRISIS NURSERY

We are asking for donations to support the Bay Area Crisis Nursery.

The purpose of this organization is to prevent abuse and neglect of children by providing support to families who are in stress or crisis. Their primary service is providing a warm, loving, home like environment for children birth through eleven years of age by offering 24 hour residential care. Their goal is to bridge the need for emergency childcare while providing a support network of resources and services to ensure both parents and children form a healthy family. This service is free, confidential and voluntary.
The Crisis Nursery is solely funded by private donations without any government assistance and the services are provided at no charge to the clients.
